"Someday"

by Sadie

Individual

I woke up one morning at 7:00am.
I had eggs and milk for breakfast.
Then I planned the perfect day.

I started with kayaking in Lake Tahoe.
I like the water gliding on my feet.
My daddy paddles us.

I went hiking. There was a beaver
and a deer. I went with my brother.
It was fun.

When I got home, I saw a box at the
door. It was roller skates. I tried them
out inside the house. They were pink.

Then I baked cookies. They were
sugar cookies. They were good.

I fell asleep eating my 8th cookie.
In the morning I thought to myself
that was some day!
