"Someday I want to be
an Astronaut Cat"

by Eli

Sonoma Heights Elementary School

Someday I want to be an astronaut cat.
First, someone will talk to my human if I can
go into space. If my human says, "yes,"
I would be so excited.

They will take me away from my human for
a long time. Then they will get me ready to
go into space. I put on a special suit and helmet.
I'll get on the spaceship.

Now I am on the spaceship. The countdown is
starting, 3...2...1. Now we are flying. I see all
kinds of planets and stars. On this trip to space
is to the planet Mars.

All of a sudden, someone speaks on the radio.
I jump, I float, I'm scared of heights. I meow a
scared meow! The human pulls me back down
on his lap.

The person finally speaks, "we are landing
in 3...2...1..." Boom! We land, we send out
a large robot. It comes back a few minutes later
bringing back evidence.
