PBS member station, PBS Reno, serving northern Nevada and northeastern California, is proud to take part in the PBS Reno Curiosity Classroom Writers Contest.

Few things can capture a child's imagination like a good book. PBS Reno Curiosity Classroom Writers Contest invites children, kindergarten through third grade, in communities across our area to use their boundless imaginations to create original stories and illustrations and then submit them to their local PBS station. This year, thousands of children from across northern Nevada and northeastern California participated in the PBS Reno Writers Contest, building their creative voices, and developing critical reading and writing skills.

Visit our website at pbsreno.org/writerscontest to find out more about the contest, read the winning stories and watch the winners announce their stories.
