STEM Works: TESLA

Use the space below to design your own Gigafactory like the one TESLA uses to build their electric vehicles! Then answer the questions to help you decide what your Gigafactory will specialize in!

A large, empty rectangular box with a thin black border, intended for students to draw their own Gigafactory design.

What will your factory specialize in building?

What kind of engineers will work at your factory?

What improvements does your factory have that the TESLA Gigafactory does not?
