STEM Works: Sierra Nevada Corporation

At the Sierra Nevada Corporation, engineers build, test, and use robots. Use the space below to design your own robot! Then answer the questions below to help you think about how your robot will be useful for humankind.

What will you call your robot?

What will your robot be able to do?

How will your robot benefit humankind?

How will your robot make an impact on the world?

STEM Works

CLASSROOM ACTIVITY | RESOURCES

How can you work in this STEM Field?

Use the boxes below to brainstorm ways you can build on your current skills, gain experience and education, and make a STEM career in this field a reality!

Congratulations! You've been hired for your dream job at _____!
