She turned blueberry pie into an estate planning tool.

When my father told me his plans for his estate, the blood drained from my face and I felt myself starting to panic. It wasn’t his intention but his plan would rip our family apart. I turned to our advisor, Nicole, for help. And she turned to blueberry pie. We all sat down to talk over dinner and she masterfully laid out an equitable estate plan that honored my father’s intentions and made sure every family member got a fair slice of the pie. While my father always sees the big picture, Nicole helped him to see the little things.
