If you do not receive one of our channels with your cable or satellite provider, please contact them directly and ask that WGUV be added to their channel lineup.

## WGUV Public Media HIGHLIGHTS

### **BUGS THAT RULE THE WORLD**

**Wednesday, May 7 at 10 PM**

Explore the fascinating world of bugs, their beauty, and ecological importance. From pollinators and insect predators to the clean-up crews purifying our planet, scientists examine the decline of these essential yet least appreciated creatures.

### **BOBLO BOATS: A DETROIT FERRY TALE**

**Tuesday, May 13 at 10 PM**

For over 85 years, steamships Ste. Claire and SS Columbia transported generations of Detroiters to Boblo Island, an amusement park nestled in the waters between the US and Canada. When Claire comes under threat of ruin, a doctor, psychic and amusement park fanatic unite to save their beloved steamship from the scrapyard.

### **INDEPENDENT LENS: WHO IS MICHAEL JANG?**

**Monday, May 19 at 10 PM**

After a long career as a commercial and portrait photographer, mischievous San Francisco artist Michael Jang sat for decades on a hidden treasure of pictures taken in his 20s—both candid celebrity shots and a down-to-earth cross-section of Chinese American family life rarely captured so playfully.

### **GREAT PERFORMANCES: GIRL FROM THE NORTH COUNTRY**

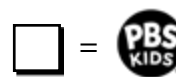

**Friday, May 23 at 9 PM**

Written and directed by acclaimed playwright Conor McPherson, *Girl From the North Country* reimagines 20 legendary songs by Bob Dylan as they've never been heard before. This spiritually uplifting story is set in Duluth, Minnesota, in 1934, when a group of wanderers' lives intersect at a house full of music, life and hope.
