5. Where is your hometown?

I grew up in Pickwick, Tennessee.

6. What is your favorite part of working at West TN PBS?

My favorite part of working at West TN PBS is

1. How small the team is. With such a small group, it's easier to become close with co-workers. This leads to better productivity and understanding.
2. How different each day is. No two days ever look the same, which helps me not get burnt out.
3. Engaging with the local community. Every time I drive a work vehicle with a cartoon plastered on the side, I have people stop me and tell me about how they watch Channel 11 or what their favorite program is. And I think it's really neat.

7. What is your favorite program on West TN PBS Channel 11?

My favorite programs on West TN PBS Channel 11 are our local programming like Tennessee is Talking and Tennessee Writes. I also like Secrets of the Dead, Nightmare Theatre, and Monstrum.
