## WMHT 17.1 October 2023 Program Highlights

**America Outdoors With Baratunde Thurston (Season 2):** A brand new season traveling across the US to see how culture, history, and the land itself are shaping what we do when we step through our front doors to embrace an outdoor way of life.

**American Buffalo:** A new two-part, four-hour series, takes viewers on a journey through more than 10,000 years of North American history and across some of the continent's most iconic landscapes, tracing the animal's evolution, significance to the Great Plains, near demise, and relationship to the Indigenous People of North America.

### AMERICAN EXPERIENCE

**The War On Disco:** Explore the gay, Black and Latino cultural forces that gave rise to 1970's disco music, and the "death to disco" backlash that tried to destroy it.

### AMERICAN MASTERS

**Max Roach - The Drum Also Waltzes:** Experience the groundbreaking sounds of bebop pioneer and virtuoso composer Max Roach, whose far-reaching ambitions were inspired and challenged by the inequities of the society around him.

**Appalachia Heart:** Appalachia Heart travels with visual artist Charmaine Wheatley on a year-long project to paint portraits of people affected by the opioid crisis in two rural Eastern Kentucky communities, connecting us by our common humanity.

**Art In The 21st Century:** Twelve of America's most innovative artists rise to the challenge of our current moment, creating new paintings, sculptures, films, and performances that inspire and heal. Includes Michelle Obama portraitist Amy Sherald.

**Becoming Frida Kahlo:** In a striking new three-part series, Becoming Frida Kahlo strips away the myths to reveal the real Frida – a passionate and brilliant artist living through extraordinary times.

**Bring Her Home:** The story of three Indigenous women fighting to vindicate and honor their missing and murdered relatives. An activist, an artist and a politician each strive to find healing and hope for themselves and for their Native community.

**Connect NY - Youth Mental Health:** On the September edition of Connect NY, we'll highlight the mental health needs of younger New Yorkers.

**Evolution Earth:** Traveling to the far corners of the world, discover the extraordinary ways animals are adapting to our rapidly changing planet. Witness nature's remarkable resilience as our perception of evolution and its potential is transformed.

### FRONTLINE

**Elon Musk's Twitter Takeover:** Elon Musk's long and often troubled relationship with Twitter. Musk's journey from one of the platform's most provocative users to its sole proprietor, exploring the acquisition, free speech and the company's uncertain future.

**McConnell - The GOP & The Court:** Republican Sen. Mitch McConnell's rise and role in transforming the Supreme Court and U.S. politics.

**The Astros Edge - Triumph And Scandal In Major League Baseball:** The Houston Astros cheating scandal and what it says about baseball today; the making of one of the best teams and worst scandals in modern MLB history, the limited accountability and how Astros baseball changed the sport.

### GREAT PERFORMANCES

**New York City Ballet In Madrid:** The New York City Ballet performs at Madrid's Teatro Real; works include "Serenade" and "Square Dance" by George Balanchine and "The Times Are Racing" by choreographer Justin Peck.

**Hiding In Plain Site:** An unstinting look at both the seemingly insurmountable obstacles faced by those who live with mental disorders and the hope that many have found after that storm.

**Mary Berry's Ultimate Christmas:** Mary Berry shares her ultimate Christmas feast with all the trimmings. Friends and Chefs Angela Hartnett and Monica Galetti join her to share favorite festive recipes from their heritage and Mary and TV host Rylan Clark try and convert some kids to Brussels sprouts.

**Native America Season 2:** A groundbreaking portrait of contemporary Indian Country. Building on the success of the first season, this four-part Native directed series reveals the beauty and power of today's Indigenous world. Smashing stereotypes, it follows the brilliant engineers, bold politicians, and cutting-edge artists who draw upon Native tradition to build a better 21st century.

### NATURE

**Spy In The Ocean:** This four-part Nature miniseries employs animatronic spy cameras disguised as marine animals to secretly record behavior in the wild.

**The Platypus Guardian:** A Tasmanian man befriends a platypus while trying to protect the species from urban development.

## NOVA

**Ancient Earth:** Witness the most dramatic events in Earth's history, from its birth to the emergence of humanity. Spectacular animation and leading scientists tell the story of how a hellscape of molten lava transformed into a lush planet filled with life.

**Dinosaur Apocalypse:** Scientists uncover clues at a fossil dig site in North Dakota that reveal details about the day an asteroid struck Earth and wiped out the dinosaurs.

**PBS Arts Talk:** Arts and culture icons break down their craft and careers and talk about personal memories in intimate, thought-provoking discussions.

## POV

**Aurora's Sunrise:** At 14, Aurora Madrigalian survived the Armenian Genocide and escaped to New York, where her story became a media sensation. Her newfound fame led to her starring in *Auction of Souls*, one of Hollywood's earliest blockbusters. Blending storybook animation, video testimony, and rediscovered footage from her lost silent epic, *Aurora's Sunrise* revives her forgotten story.

**Fire Through Dry Grass:** Nursing home residents use poetry and art to describe the danger and imprisonment they feel during COVID-19's lockdown.

**Professor T Season 2:** Professor Jasper Tempest and the team untangle a series of knotty crimes ranging from an unexplained fire in a student block to the mystery of an entire family found dead in their home.

**Reframing An Empire:** A reflection on historic interpretation and representation throughout this series. We check in with historians and curators on why it is important to take into account a critical lens and students of our history.

**Repairing The World - Stories From The Tree Of Life:** Pittsburgh's community response to hate following the assault on three congregations at the Tree of Life synagogue in 2018.

**Roadtrip Nation:** Follow the journeys of groups of people as they travel across the country in a green RV, sit down with professionals who share their interests, and gain insight into what it takes to overcome struggle and find personal success.

**Rooted Out - Repairing The World:** On October 27, 2018, the three congregations worshipping at Pittsburgh's Tree of Life synagogue were attacked in the deadliest anti-Semitic assault in U.S. history. Eleven people were killed that day as the Jewish community in Pittsburgh and around the world found themselves facing a resurgence of age-old threats that have led to so much horrific violence. In *Repairing the World*, director Patrice O'Neill respectfully and sensitively documents the response of the community in the aftermath of this tragic event.

## SECRETS OF THE DEAD

**Eiffel's Race To The Top:** Discover the untold story of Paris' most famous landmark and the race to top 1,000 feet.

**Jurassic Fortunes:** Discover the world of dinosaur fossil collecting, an unusual hobby with a growing market.

**The Sunken Basilica:** Uncover the sunken remains of a 4th-century basilica in western Turkey. Submerged beneath the waters of Lake Iznik for hundreds of years, the church could reveal crucial insights into the early days of Christianity.

**Singing Our Way To Freedom:** A chronicle of the life and music of Ramon "Chunky" Sanchez

**The Addict's Wake:** Examines drug addiction in Brown County. The Brown County Sheriff's department says 2020 saw a record number of drug overdose calls. A documentary is shining a new light on the fight against addiction.

**The American Buffalo A Story of Resilience:** Judy Woodruff moderates a one-hour conversation with filmmaker Ken Burns and three experts: Jason Baldes, Rosalyn LaPier, and Dan Flores. The discussion explores lessons from the film - the early history and special relationship between native American people and the buffalo; its relation to the larger grassland and prairie ecosystems; and Tribal contributions to restoration of the buffalo today.

**The Path Forward - Remembering Willowbrook:** In 1972, Geraldo Rivera produced an exposé on the Willowbrook State School in Staten Island, shocking the nation and forever changing the treatment of people with disabilities in the state and across the country.
