## WMHT 17.1 September 2023 Program Highlights

**America Outdoors With Baratunde Thurston (Season 2):** A brand new season traveling across the US to see how culture, history, and the land itself are shaping what we do when we step through our front doors to embrace an outdoor way of life.

### AMERICAN EXPERIENCE

**Billy Graham:** Explores the life and career of one of the best-known and most influential religious leaders of the 20th century. His early fundamentalist sermons harnessed the apocalyptic anxieties of a post-atomic world, exhorting audiences to adopt the only possible solution: devoting one's life to Christ. Graham became an international celebrity who built a media empire, preached to millions worldwide, and had the ear of tycoons, royalty and presidents.

**Roberto Clemente:** Roberto Clemente is an in-depth look at an exceptional baseball player and committed humanitarian who challenged racial discrimination to become baseball's first Latino superstar.

**The Busing Battleground:** Revisit 1970s Boston, when court-mandated school integration unleashed racial unrest throughout the city.

**The Harvest:** Follows a brave coalition of Black and white citizens working to create racially integrated public schools in a cotton town in the middle of the Mississippi Delta.

### AMERICAN MASTERS

**A Song For Cesar:** A unique view of the life and legacy of Cesar Chavez and the farmworker movement. The film tells a previously untold story about the musicians and artists – including Joan Baez, Maya Angelou, and Carlos Santana, among others – who dedicated their time, creativity and even reputations to peacefully advance Cesar Chavez's movement to gain equality and justice for America's suffering farmworkers.

**Bella! - This Woman's Place Is In The House:** The rise of politician and activist Bella Abzug and how her commitment to women's rights and progressive causes challenged the status quo in Washington, D.C.

**Floyd Abrams - Speaking Freely:** Follow the 50-year career of First Amendment lawyer and legal expert Floyd Abrams. See how his landmark cases, from the Pentagon Papers to Citizens United, helped define free speech as it is known today.

**Jerry Brown - Disrupter:** Experience the political and personal journey of Jerry Brown, the longest serving governor in California history. First elected at 36 years old and again at 72, explore Brown's 50-year career tackling climate change and inequality.

**Michael Tilson Thomas - Where Now Is:** Explores world-renowned American conductor and composer Michael Tilson Thomas. Thomas championed American music and established the New World Symphony to train the next generation of musicians.

**Becoming Frida Kahlo:** In a striking new three-part series, Becoming Frida Kahlo strips away the myths to reveal the real Frida – a passionate and brilliant artist living through extraordinary times.

**Buffalo Soldiers - Fighting On Two Fronts:** Explore the complex history of Black Americans who enlisted in the U.S. military as a path to citizenship, a livelihood, and greater respect, and how they fought in military conflicts abroad and civil rights struggles at home.

**Dream Of Italy - Travel, Transform And Thrive:** Explores how Italy can change your life – whether adapting to the Italian lifestyle at home, traveling to Italy in a more meaningful way or deciding to move there.

**Evolution Earth:** Traveling to the far corners of the world, discover the extraordinary ways animals are adapting to our rapidly changing planet. Witness nature's remarkable resilience as our perception of evolution and its potential is transformed.

### FRONTLINE

**Two Strikes / Tutwiler:** A two-part special looking at a little-known two strikes law, and pregnancy in prison. With The Marshall Project, how a former West Point cadet got life in prison. Also, pregnant women in prison and what happens to their newborns.

### GREAT PERFORMANCES

**Fiddler - A Miracle Of Miracles:** The origin story behind one of Broadway's most beloved musicals, Fiddler on The Roof, and its creative roots in early 1960s New York, when "tradition" was on the wane as gender roles, sexuality, race relations and religion were evolving.

**Hay Market - The Bomb, The Anarchists, The Labor Struggle:** Historians and professors present the history of the Haymarket bomb, the anarchist movement of the 19th century, and the labor struggle of working people fighting for a shorter work day during the industrial might of America's Gilded Age.

## WMHT 17.1 September 2023 Program Highlights

**Hiding In Plain Site:** An unstinting look at both the seemingly insurmountable obstacles faced by those who live with mental disorders and the hope that many have found after that storm.

### INDEPENDENT LENS

**Sanson And Me:** Discover the untold story of Sansón, an imprisoned immigrant, through heartfelt reenactments and intimate letters in this gripping documentary.

**Italy - Made With Love:** Travel through Italy to meet some of the remarkable artisans who still make exceptional items by hand — from glassblowers and ceramicists to olive oil makers and cashmere weavers — all of whom exhibit talent, dedication and

**My Ascension:** After a failed suicide attempt leaves her paralyzed, 16-year-old Emma Benoit embarks on a quest to walk again and bring hope to other young people.

### NOVA

**London Super Tunnel:** Thousands race to build Europe's biggest construction project—London's new railroad.

**Operation Lighthouse Rescue:** Engineers work to save historic Gay Head Lighthouse on Martha's Vineyard, which is falling victim to the ocean's erosion of the island's cliffs.

**Rebuilding Notre Dame:** A team of engineers, masons and timber workers restore France's Notre Dame Cathedral following the April 2019 fire.

**Saving Venice:** Innovative engineering projects, including a new hi-tech flood barrier, may save Venice, Italy, from the rising seas that threaten its survival.

**The Planets:** Using the latest science and the most detailed images ever produced, in combination with Academy Award-winning VFX company Lola Post, Professor Brian Cox explores the planets like never before.

**One Voice - The Songs We Share:** The American Pops Orchestra celebrates the diverse musical genres and influences of America.

### POV

**Bulls And Saints:** After 20 years of living in the United States, an undocumented family decides to return home. Little do they know it will be the most difficult journey of their lives and reawaken an intense desire for a place to belong.

**While We Watched:** A timely depiction of a newsroom in crisis, While We Watched follows tormented Ravish Kumar for two years as he battles a barrage of “fake news,” falling ratings and the resulting cutbacks.

**Professor T Season 2:** Professor Jasper Tempest and the team untangle a series of knotty crimes ranging from an unexplained fire in a student block to the mystery of an entire family found dead in their home.

**Roadtrip Nation:** Follow the journeys of groups of people as they travel across the country in a green RV, sit down with professionals who share their interests, and gain insight into what it takes to overcome struggle and find personal success.

**Scattering CJ:** Grieving mom, Hallie Twomey, put a call out on Facebook after losing her veteran son, CJ, to suicide. Her request: To honor her son's memory by scattering his ashes in as many amazing places as possible.

**Searching For Timbuctoo:** Tells the story of a Black settlement, established in of upstate New York, that brought together a group of ardent abolitionists willing to risk their fortunes, their families, and their futures to destroy slavery.

**The Burren Heart Of Stone:** This two-part documentary series, narrated by award-winning Irish actor Brendan Gleeson, unveils the secrets hidden in the stones of this dramatic wind-swept countryside.

**The Jewish Journey - America:** Trace Jewish immigration to the US through the centuries. Top scholars, notable writers, and many immigrants themselves share stories of those who made a leap of faith to escape persecution or pursue opportunity.
