WMHT 17.1 November 2023 Program Highlights

A Town Called Victoria: When the local mosque is burned to the ground in an apparent hate crime, the town of Victoria must overcome its age-old political, racial, and economic divides to find a collective way forward.

AMERICAN EXPERIENCE

Rachel Carson: Meet a scientist whose groundbreaking writings revolutionized our relationship to the natural world.

Earthshot Prize 2023: The Earthshot Prize exists to discover, spotlight and help grow innovative solutions that are working to repair and regenerate our planet. The 2023 Earthshot Prize Awards Ceremony will be held in Singapore on November 7th.

Elvis And The USS Arizona: Elvis Presley helped make the USS Arizona Memorial at Pearl Harbor a reality in the 1960s.

Films ByKids: The non-profit organization BYkids gives voice to youth from around the world. The series pairs teenagers from diverse cultures with accomplished filmmakers to create short personal documentaries that educate and encourage understanding about global issues.

FRONTLINE

20 Days In Mariupol: An extraordinary, one-of-a-kind view of the Russian siege of Mariupol, as seen through the lens of Associated Press video journalist Mstyslav Chernov—who with two other AP colleagues were the last international journalists left in the city at the time.

Inside The Unvalde Response: The real-time accounts of the response, missteps and trauma of the Robb Elementary School shooting in Uvalde, Texas.

GREAT PERFORMANCES

Celebrating 50 Years Of Broadway's Best: Enjoy a revue of milestone Broadway shows and songs from 1973 to 2023 hosted by two-time Tony Award winner Sutton Foster. Features performances by André De Shields, Chita Rivera, Vanessa Williams and more from Lincoln Center's David H. Koch Theater.

Message In A Bottle: Kate Prince's dance and theatre show set to the songs of Sting tells the story of a migrant family and features a mix of dance styles.

Groundbreakers: Billie Jean King and seven female sports icons discuss how Title IX and their own achievements changed the course of women's sports. Features Nancy Lieberman, Chloe Kim, Naomi Osaka, Jackie Joyner-Kersey, Julie Foudy, Diana Flores and Suni Lee.

INDEPENDENT LENS

Three Chaplains: How Muslim chaplains in the armed forces vow to protect the right of every service member to practise their faith freely.

Islands Of Wonder: Journey to three of the most exotic, mysterious and remote islands on the planet: Madagascar, Borneo and Hawaii. Isolated from the rest of the world, they harbor remarkable wildlife and pioneering human communities found nowhere else on Earth.

Kingdoms Of The Sky: A landmark three part series made in conjunction with the BBC, KINGDOMS OF THE SKY reveals the extraordinary animals and remarkable people who make a home on the iconic mountain ranges of the world. There is one programme each on the Himalaya, Rockies and Andes.

Native America Season 2: A groundbreaking portrait of contemporary Indian Country. Building on the success of the first season, this four-part Native directed series reveals the beauty and power of today's Indigenous world. Smashing stereotypes, it follows the brilliant engineers, bold politicians, and cutting-edge artists who draw upon Native tradition to build a better 21st century.

Lucy Worsley Investigates The Princes In The Tower: What really happened to the Princes in the Tower? Lucy Worsley uncovers the story of the two boys whose disappearance in 1483 has led to centuries of mystery and speculation.

NOVA

Ancient Earth: Witness the most dramatic events in Earth's history, from its birth to the emergence of humanity. Spectacular animation and leading scientists tell the story of how a hellscape of molten lava transformed into a lush planet filled with life.

Great Mammoth Mystery: Sir David Attenborough explores a unique site in southern England with rare traces of Ice Age mammoths and Neanderthals. How did humans survive the frigid climate and did they have the tools and talent to hunt the giant beasts?

WMHT 17.1 November 2023 Program Highlights

Inside China's Tech Boom: In just a few decades, China has transformed into a science and technology superpower. See inside leading Chinese tech companies and labs to discover how they innovate, what drives their rise, and what it means for the future of the global economy.

Lee And Liza's Family Tree: A family turns to science in their struggle to rediscover a history obscured by slavery.

Hagia Sophia: As Istanbul braces for the next big quake, a team of architects and engineers is investigating Hagia Sophia's seismic secrets.

The Battle To Beat Malaria: Are scientists on the verge of a breakthrough in the fight against malaria, one of humanity's oldest and most devastating plagues? Follow researchers as they develop and test a promising new vaccine on a quest to save millions of lives.

Secrets Of The Forbidden City: Discover the ingenious engineering of Beijing's Forbidden City, the power center of imperial China for nearly 500 years. Discover how the design of this vast complex of palaces and temples enabled it to survive centuries of earthquakes.

POV

Wisdom Gone Wild: A vibrant tender cine-poem, a filmmaker collaborates with her Nisei mother as they confront the painful curious reality of wisdom 'gone wild' in the shadows of dementia. Made over 16 years, the film blends humor and sadness in an encounter between mother and daughter that blooms into an affectionate portrait of love, care, and a relationship transformed.

Salute To Service: Join host Jon Stewart for a heartfelt Veterans Day celebration with the United States Army Field Band, honoring heroes past and present and reflectin on the service and sacrifices of veterans.

Sand Creek Massacre: What would lead approximately 675 volunteer soldiers to attack a peaceful settlement of Cheyenne and Arapaho Indians in southeastern Colorado Territory? On November 29, 1864, Colonel John Chivington led a group to do just that, resulting in the deaths of over one hundred men, women and children.

Searching For Home - Coming Back From War: an emotional and unflinching look at returning veterans and their search for the 'home' they left behind, physically, mentally and spiritually.

SECRETS OF THE DEAD

Death In Britannia: Uncover the only evidence of crucifixion in Roman-occupied Britain.

Decoding Hieroglyphics: Research is revealing the hieroglyphic texts from within the tomb of an Egyptian scribe.

Hidden In The Amazon: New evidence sheds light on the early indigenous societies of the Amazon.

Princes In The Tower: The mystery of the 15th-century imprisonment and murder of two princes in the Tower of London.

Send Me: The film provides an insider's look into the lives of active duty U.S. military personnel stationed in far-flung outposts

Spy In The Ocean: Go deep beneath the waves on a spy mission to the depths of the ocean.

Ted Explores A New Climate Vision: The documentary looks at the encouraging growth of technologies that can slow or reverse climate change.

This Land Is Your Land: Take a musical journey through the evolution of modern American folk music, from its roots in bluegrass to San Francisco coffee houses to clubs in Greenwich Village. The Smothers Brothers and Judy Collins host.

To Be Of Service: Documentary film about veterans with PTSD and the service dogs who help them heal.

Two Wars - The Road To Integration: The Road to Integration tackles the topic of segregation and eventual integration of the United States Military. Since the earliest days of the Republic, African Americans have been part of the nation's fighting force. African American service members in the United States Military fought to defend the very freedoms they could not enjoy as citizens.

Your DNA Secrets Revealed: Learn about the science of DNA and the role genetics plays in our longevity, health and well-being.
