

One day I was in bed and
I heard a knock at
the door it was ...

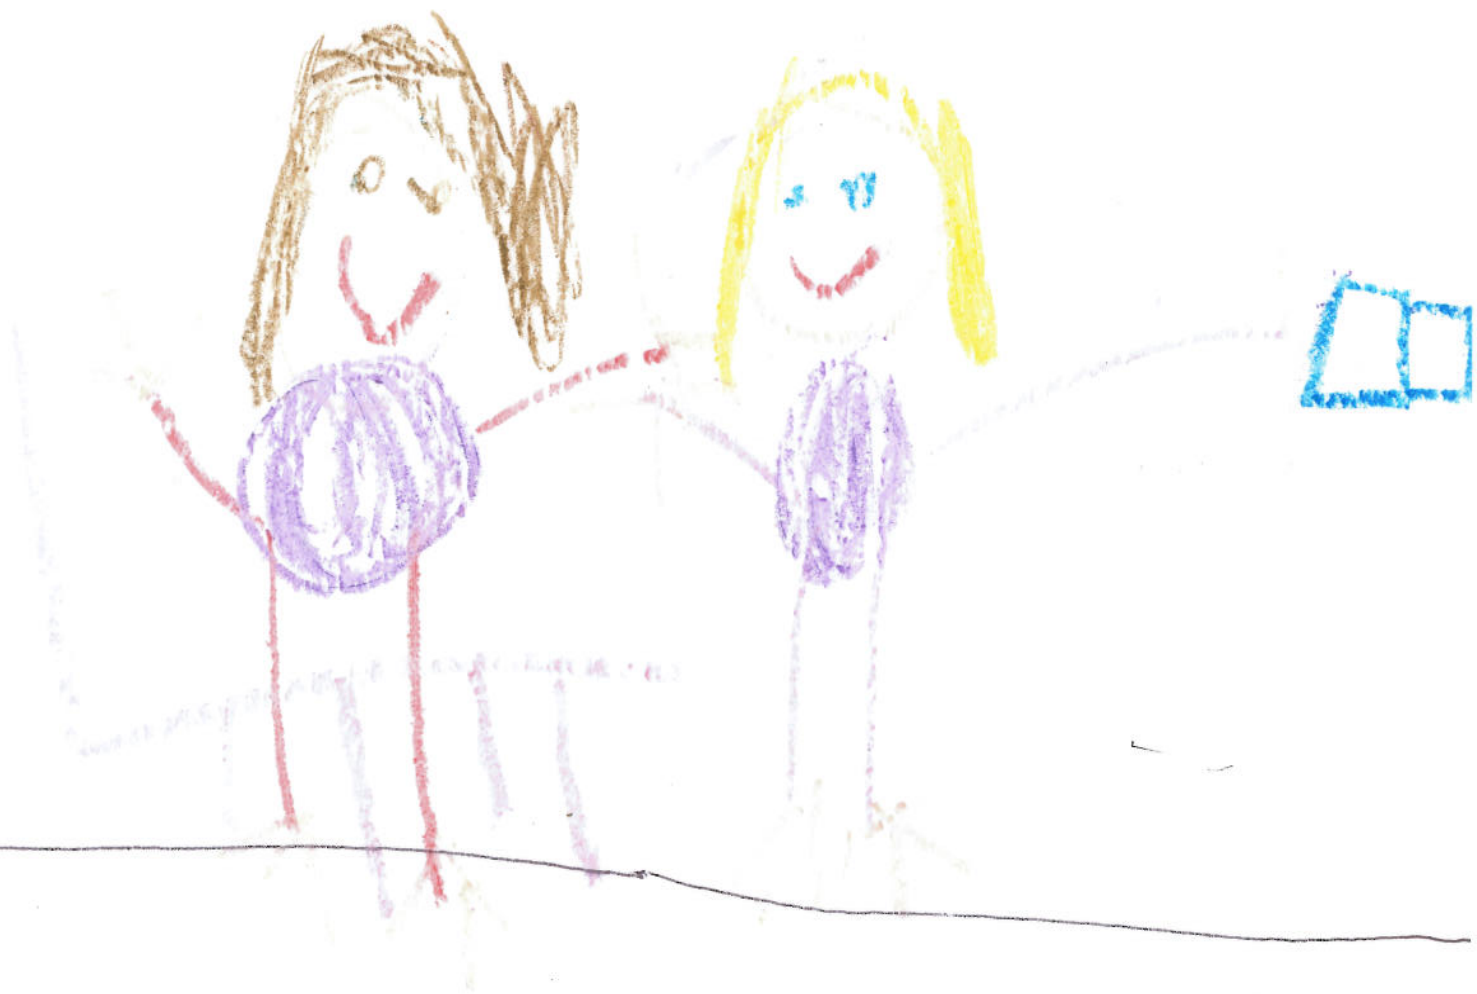

Morgan!!!!
"Can we have a sleep
over" she asked. "No" I
said but...

she begged Me until
I said "fine!"

I read a book to
her until...

we came to a
page that said
"!"
crummy Matt!

crummy Matt!
we
are
we

We laughed so hard

even though I did
did not want to have
a sleepover it was
still a good time!
