

Dragon World

By Luca

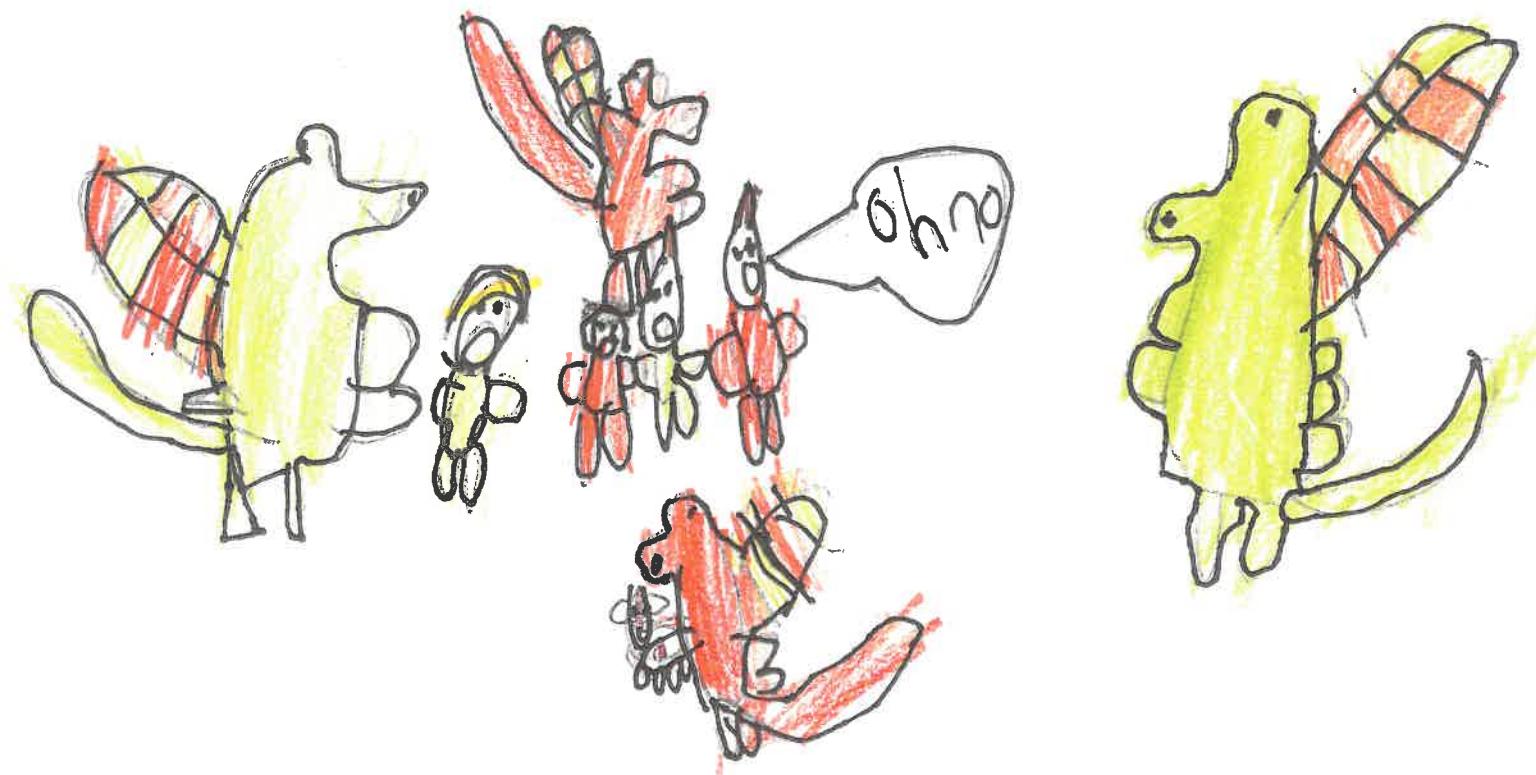

One day my family was walking our puppy, Cooper.
The leash slipped out of my sister's hand and
Cooper ran off!

We started to follow him but
suddenly fell into a strange hole.

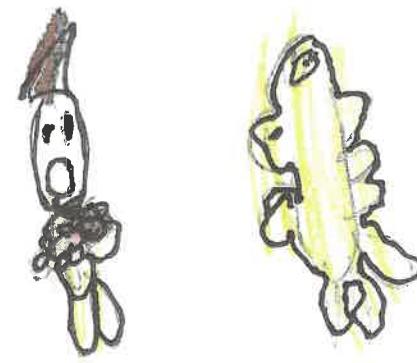

We landed and realized we were in a different world.

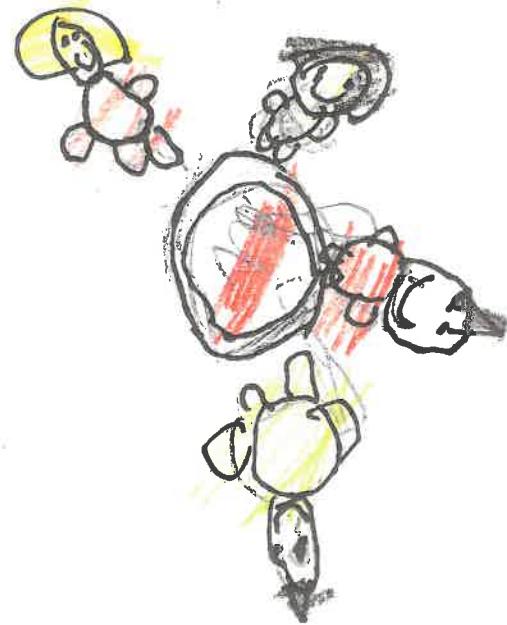

When we looked around we noticed we were surrounded by dragons. We got scared because they were super spiky and dark with creepy eyes.

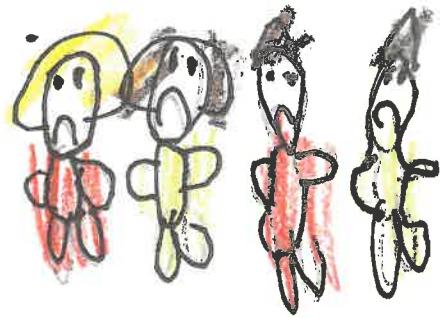

One of the dragons came up to us and said, “We found a dog. Is it yours?” and I said, “Yes.”

Finally the dragons gave us Cooper.

They invited us to stay for a campfire and s'mores.

The next morning we had to leave. We didn't want to leave and the dragons didn't want us to leave either. We said we would come back soon.

We got back home and went to bed.

The next day I asked if we can
go back to see the dragons.

We went back to the dragon
world and we were all happy.
