

Daniel's
Flower Garden
By Samira

Ever since Daniel
was little, he
loved all kinds of
flowers. He wanted his
own flower garden.

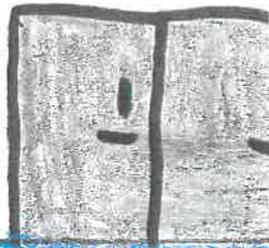

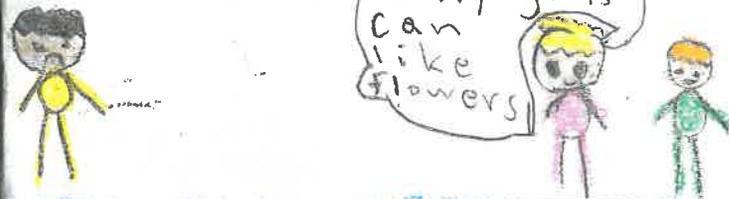

One day, when Daniel went to school, he was telling everyone how much he loved flowers and wanted his own garden.

love
owers!

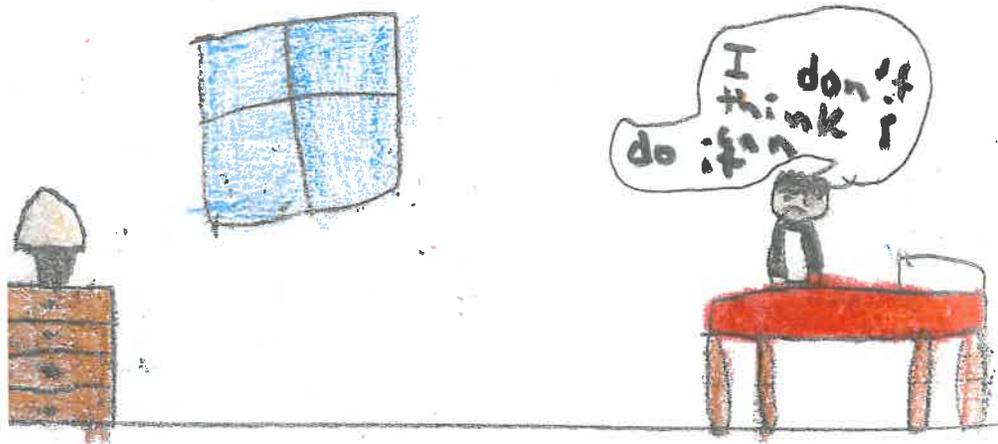

There were bullies in his school. He got picked on for liking flowers. The bullies said only girls can like flowers.

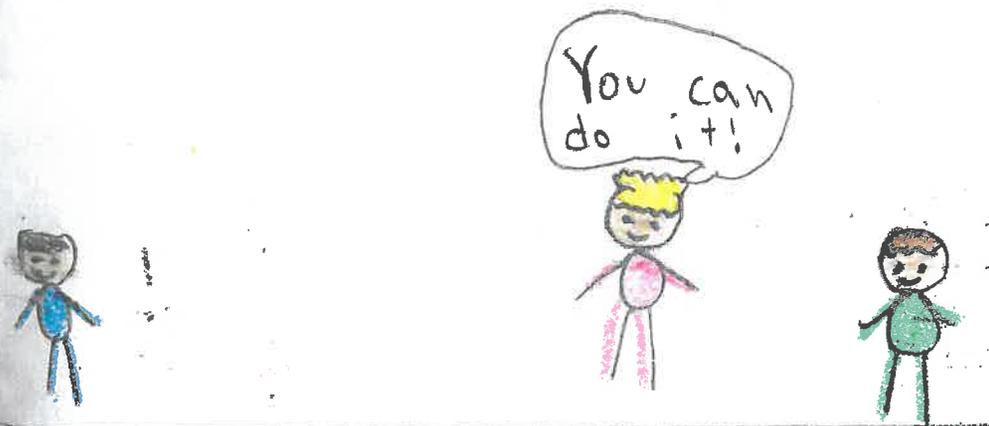

Only girls
can
like
flowers

His dream is to
be a gardener when
he grows up. But he
thought he couldn't
do it.

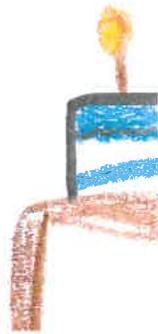

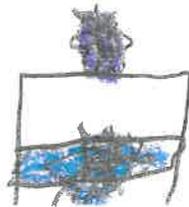

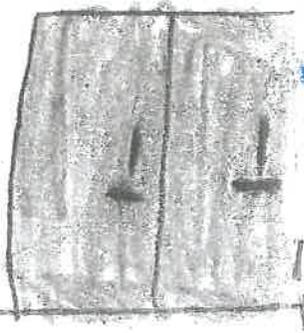

His friends cheered
him up and then he
never gave up and
kept going.

The next day Daniel A few day later, it went to school, the was his birthday and bullies made fun he was really excited of him a gain but this time he stood up for himself.

I know
I can do

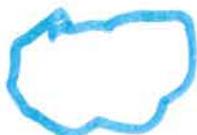

His mom surprised
him with beautiful
flowers.

On summer break
Daniel started his
flower garden.

By the end of
summer break, he
was able to grow
fifty flowers.

The End
