Problems!

This is Autumn. She has a cat
called Peppermint. Peppermint
can cause problems!

Usually, Autumn goes to school,
but today is special. It is the
weekend! Peppermint and Autumn
want to spend time together.

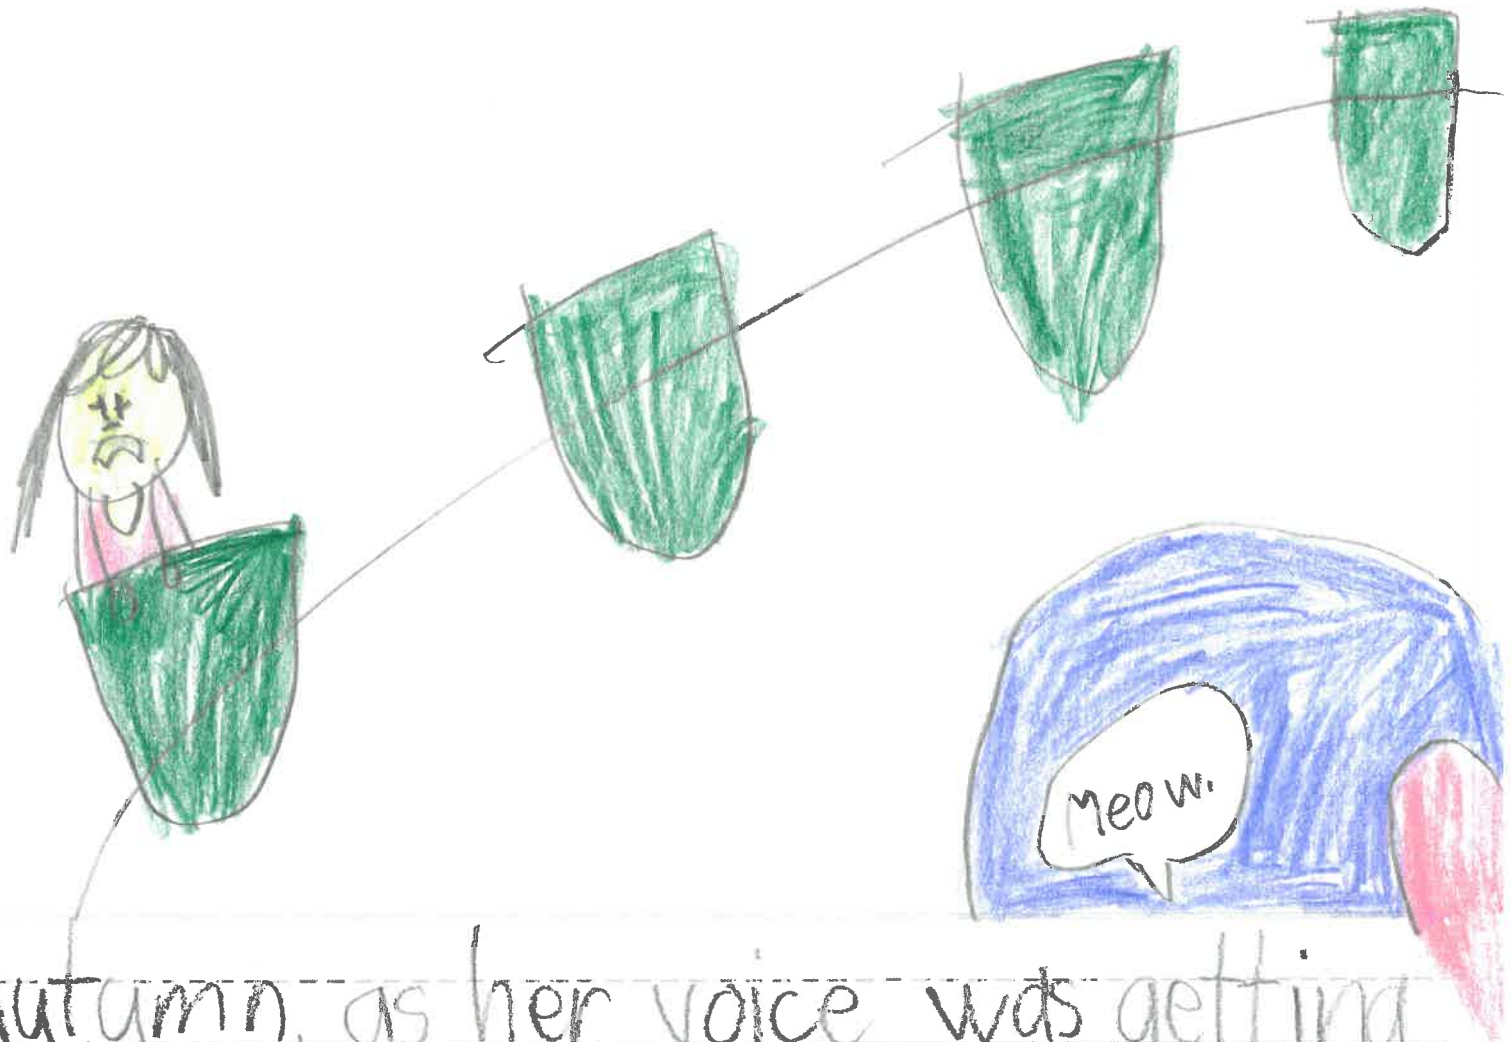

They went to a pool. Autumn
wanted to get on her swimsuit, but
Peppermint flung her into the
pool! Clothes and all!

"Please do not push me into the pool,
Peppermint!" Said Autumn who was
getting dried off. "Meow." Said
Peppermint.

They went to the fair to try out the
ferris wheel. Peppermint grabbed
Autumn, cut the line and flung
Autumn onto the ferris wheel!

Autumn, as her voice was getting
quieter on the high ferris wheel, said
"Peppermint, do not cut the line!"
"Meow." said Peppermint.

They went to the jewelry store at
a mall. ^{up}Pepper mint! Do not touch
the jewelry!" Said Autumn. A necklace
got caught on her collar. ^{cc}"Oh No!"

"Peppermint, I told you not to touch the jewelry!" Said Autumn, as Peppermint dragged all the rings behind her. "Meow." Said Peppermint.

They went back home. "Time for bed." Said Autumn. Peppermint got into Autumn's bed!

Autumn went down to the couch.

Everyone else got into bed. It was
time to sleep. Autumn did not
sleep. She read books. Lots and
lots of books! It was a quiet night.

Autumn thought. "Peppermint
took up the whole bed! There was
no more room for me! And they
lived happily ever after?"
