

The Book of magic by serend [REDACTED]

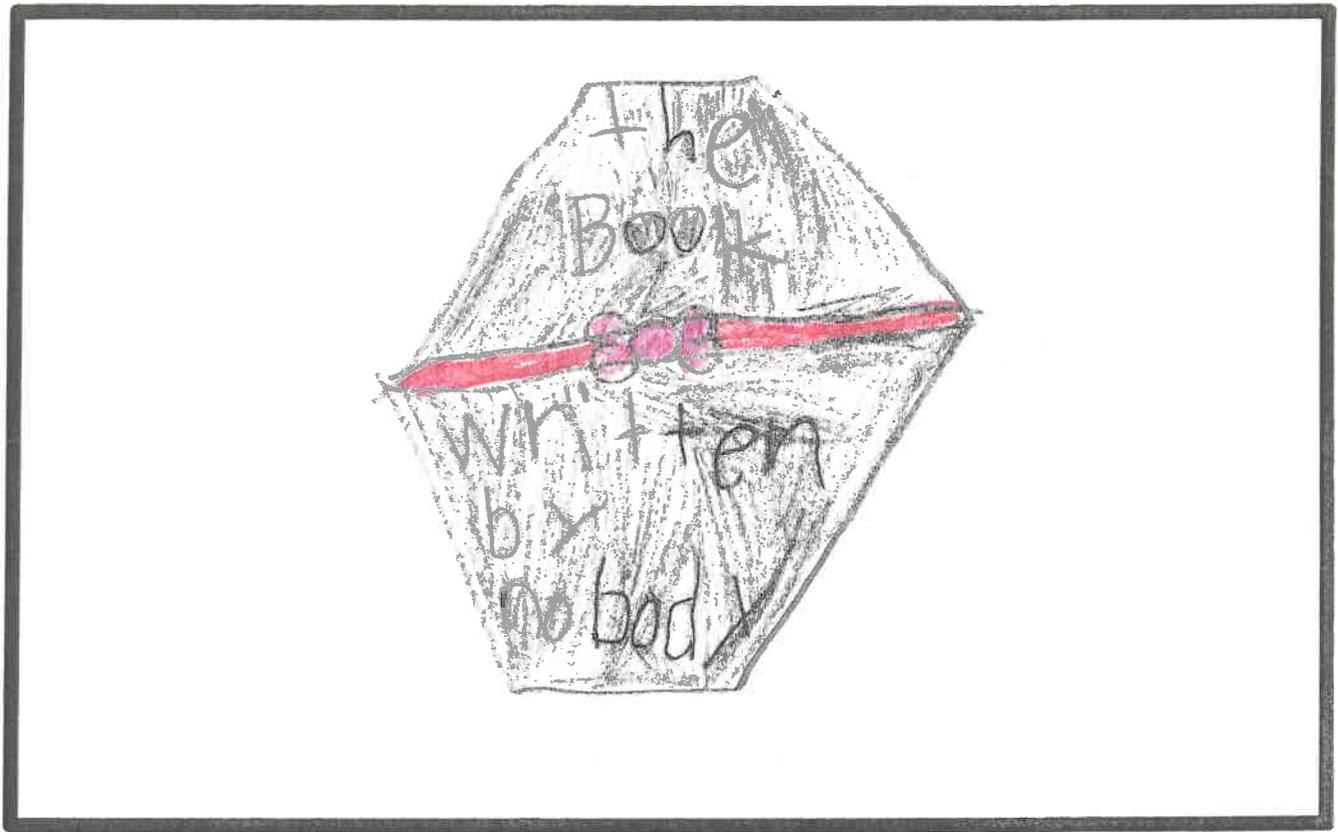

Tony is an eight year old boy.

He was looking through his

toy chest and saw a

Book written by nobody.

It was shaped like a coffin

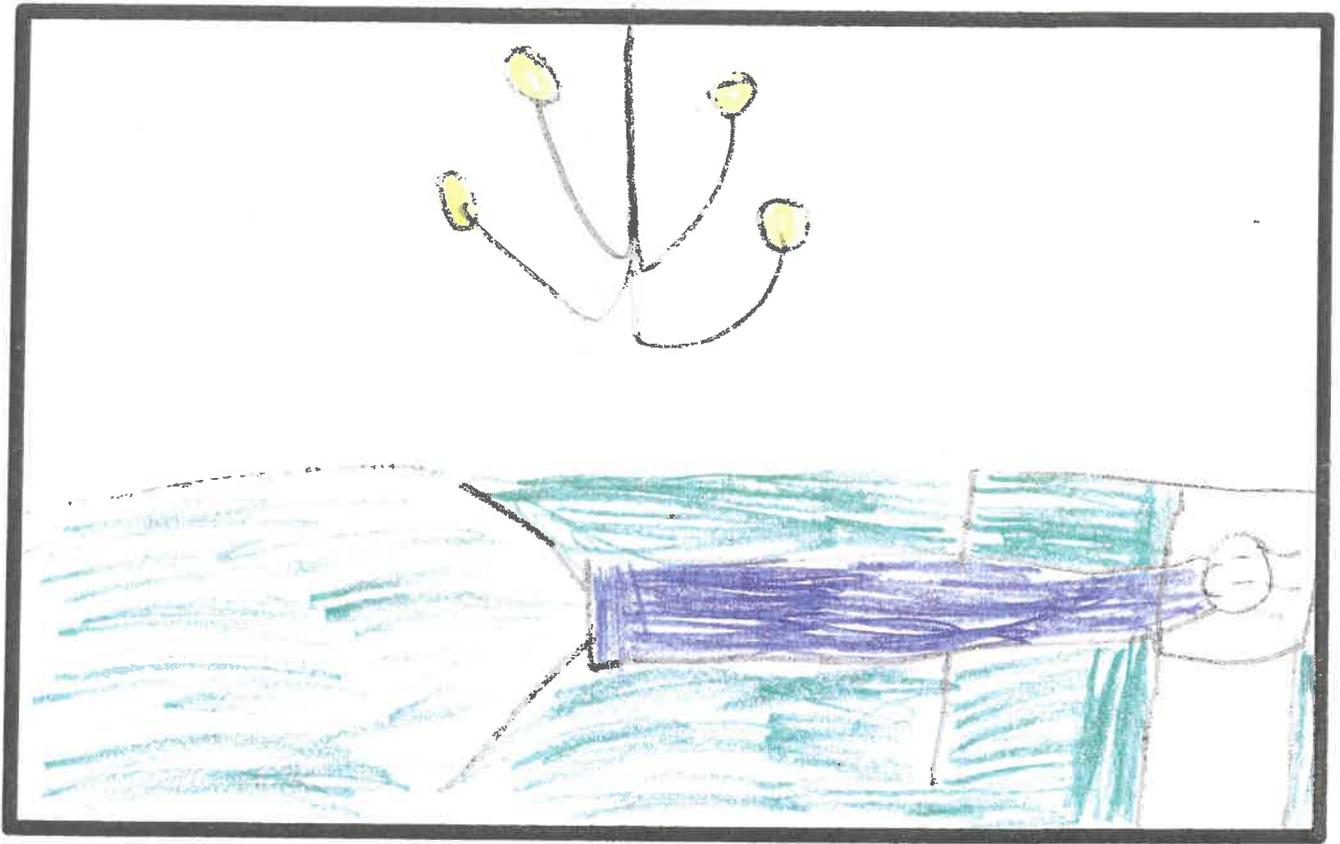

He opened the book. It had
lots of years in it. He
stopped on the year 1993.
then he appeared somewhere,
he didn't know where.

Then he Realized the book
took him to 1993. He was
looking and he saw a sign
that said "can't wait
till 1994."

He panicked and asked
someone for help. He said
he was born in 2016 and
that he's eight, the man
said 2024.

Tony quickly flipped to
2024 and was finally
home. He put the book
back and never looked
at it again. The End
