Written and Illustrated by

Where's the sheep?

Where's the sheep?

I see the sheep!

He went into the house!

Where's the sheep?

Where's the sheep?

I see the sheep!

He went onto the porch!

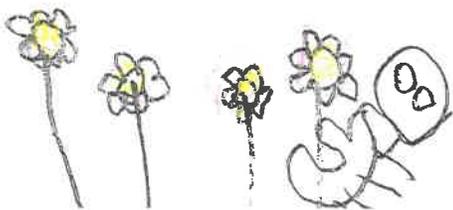

Where's the sheep?

Where's the sheep?

I see the sheep!

He went into the garden! That was easy!

O no! He's trampling all over me! That wasn't so easy!

Where's the sheep?

Where's the sheep?

I see the sheep!

He is back in the barn asleep!
