

"An Unusual Neighbor"

Written and Illustrated by Hailey S 

Sabby, Jane, and Milly
move to a cabin in the woods.
Milly is scared of the woods,
and guess why? She heard on
YouTube that a monster lives
there.

Sabby, and Jane do not believe it and they are so excited but Milly is terrified after they moved to the cabin Sabby said let's explore the woods.

So they went for a hike.
While they were
walking, Jane spotted
the monster. Milly yells
"Run!" They all run. Sabby
trips! The monster catches
up to Sabby.

"Are you ok?" says the
monster. My name is Billy.
What's your name? Sabby
shouted "stop ~~is~~ running!" He is
nice! So, Milly and Jane
stopped running. Milly said "I
told you there was a monster in the

wilderness!" "At least it's a
nice Monster," said Jane. "Excuse
Me?" said the Monster. ~~and~~
"My name is Billy. Please don't
call me monster." "Hey Billy, do
you want to be our ~~friend~~
friends?" said Sally. "Yes!" ~~and~~ Billy shouted.

They hiked, they talked, and
they laughed. They became
quick friends. Then Billy said, "so...
since we are friends... can I take
My Showers at your house?!"
The kids said "uhhhh" and ran away.
The End.
