Subject: RFP 001-2026-DR Haypiece Hill Demolition and Construction CMAR Deadline Extension

Dear Sir/Madam,

This letter serves to inform you that the deadline for the submission of proposals for RFP 001-2026-DR, Haypiece Hill Demolition and Construction CMAR has been extended. The new deadline for all submissions is now **Wednesday, March 18, 2026, by 5pm AST**. Proposals must be postmarked or hand delivered to the address below by that time.

Due to the high volume of Requests for Information received, additional time was required to review and compile responses to ensure that each inquiry was addressed thoroughly and accurately. As a result, the responses are being issued today. This extension has been made to allow all interested parties ample time to finalize their proposals.

We appreciate the interest in the project and thank you for your patience as we worked to provide comprehensive information.

Should you have any questions or require further clarification, please do not hesitate to contact us. We look forward to receiving your proposal.

Thank you for your understanding and cooperation.
